A BILL FOR

An Act relating to treatment by surgery of handicapped children.

Be It Enacted by the General Assembly of the State of Iowa:

- 1 Section 1. Section two hundred eighty-one point eight
- 2 (281.8), Code 1946, is hereby amended by adding after the
- 3 comma in line ten (10) of the third paragraph thereof, the
- 4 following: "or surgery,".

EXPLANATION OF H. F. 236

This bill provides that a handicapped child need not submit to surgery if it is against the wishes of the child's parents or guardians. The word "surgery" was inadvertently omitted when the original law was passed during the Fifty-first General Assembly.
